Youth Mission Trip

From our Pastor

Summer time is here! We are finally able to leave our sweaters in the closet and enjoy all that comes with warm weather. For the church, it is the season of growing food, building a Habitat House, the youth mission trip, vacation bible school and the "God and Country" picnic. Summer is a great time to invite friends to church and to participate in old and new ways at Providence.

Habitat: We have raised 1/3 of the money we need for the Habitat House. If you are able, please give to this important project.

Mission Trip: As the youth prepare to travel to Chicago, please hold them in prayer for safe travels and growth in their faith.

VBS: We need volunteers for (set-up, snacks, and volunteering with the kids). Please let us know how you can help.

Picnic: Our community "God and Country" picnic will be June 29th when we hope to have people from nearby neighborhoods and the community come and celebrate and get to know us. Please plan on attending and invite family and friends to join you.

Garden: The church garden has been planted. The produce will go first to Hospice families and will also be shared among church members. We need your help! We need volunteers to help weed and harvest. No experience is necessary – if you can give an hour or two or more, please sign up.

I love summer, warmer temperatures and long days. But while schools are closed, the work of the church continues and we will be open every Sunday for worship. Take time to breathe deeply this summer and keep church on your calendar and in your life.

I am so blessed to be your pastor and to serve with you!

Carol

From Stephanie

Thank you to everyone at Providence Christian Church. These first two weeks have been wonderful. I am so blessed to serve such a welcoming community and meet a lot of new people. I am excited about the rest of the summer and getting to know everyone better.

This summer I will play a lot of different roles – I will be going on the Youth Mission Trip, leading Sunday school, as well as be involved with the worship services.

This internship is already having a huge impact on my discernment process and in helping decide my future career path. Living in a new place a long way from home can be scary, but everyone has welcomed me with open arms. I am so grateful for that and thank you!

Stephanie

Youth Mission Trip

The Providence Youth will leave on Monday, June 10th to spend the week working with the community of Jesus People USA in Chicago. Jesus People USA hosts groups looking to get a taste of the inner-city and willing to get their hands dirty.
