Message from our Pastor

For everything there is a season, and a time for every matter under heaven: a time to be born, and a time to die; a time to plant, and a time to pluck up what is planted; a time to kill, and a time to heal; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance; a time to throw away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing; a time to seek, and a time to lose; a time to keep, and a time to throw away; a time to tear, and a time to sew; a time to keep silence, and a time to speak; a time to love, and a time to hate; a time for war, and a time for peace. (Ecclesiastes 3)

It is now a time to bid farewell to our youth minister, Moe Morris and his wife, Angela and children, Gideon and Lincoln. We have been so blessed to journey in faith with the Morris family. We have celebrated with them as they married and had two children. We have laughed and cried with them. We have come to love their extended family. We have danced and mourned, been together in silence and spent a lot of time talking and listening. Moe has shared his heart and faith with our youth and their families, and also with me. It has been really great to have Moe's ear and to know he is praying for me and for our congregation.

Moe is confident and yet humble. He is kind and non-judgmental. He is compassionate and forgiving, open and accepting. He is not materialistic or caught up in the rat race that traps the spirits of so many Americans. Moe is humble and has a deep and abiding faith.

We will miss Moe and Angela very much. But we know that God will continue to use them and lead them in the ways that they should go. And that God will continue to be with us, guiding us, challenging us and loving us.

I invite you to join me in thanking Moe and Angela for sharing their ministry with us and blessing them as they leave us. We will be officially celebrating Moe and Angela (and the kids) on August 12th during worship and at the potluck following.

Blessed and Honored to be your pastor!

Carol

Youth Mission Trip 2018

I want to share with all of you how proud you can be of the Youth at PCC and how they represented Providence on our mission trip.

Teenagers are not without drama! But our Youth were patient with travel delays and long, slow, bus rides as well as inconveniences with drinking water, toilet facilities, etc. They were adventurous but not stupid. They did as we asked even when tired and a little homesick. They worked very hard on the construction site. They were kind and respectful and friendly with everyone we met. They played joyfully with the kids in the village (even after working all day).

They did their very best to learn as much Spanish as possible in the time we were there so that they could communicate with the children, the staff at our hotel, our construction co-workers, and everyone else in Panajachel even though there were some English speakers around and they could have just relied on that. The Providence Youth were just awesome!

Providence Book Club

We will meet August 20th at 5:30 PM at Bronte Bistro at Joseph-Beth Booksellers. Our book for discussion is *Becoming Mrs. Burton*, by Susan Burton and Cari Lynn.

Susan Burton’s world changed in an instant when her five-year-old son was killed by a van driving down their street. Consumed by grief and without access to professional help, Susan self-medicated, becoming addicted first to cocaine, then crack.

As a resident of South Los Angeles, a black community under siege in the War on Drugs, it was but a matter of time before Susan was arrested. She cycled in and out of prison for over fifteen years; never was she offered therapy or treatment for addiction. On her own, she eventually found a private drug rehabilitation facility.

Once clean, Susan dedicated her life to supporting women facing similar struggles. Her organization, A New Way of Life, operates five safe homes in Los Angeles that supply a lifeline to hundreds of formerly incarcerated women and their children—setting them on the track to education and employment rather than a return to prison.
